Organization :

National Textile Corporation Limited, (NTC) is a schedule "A" public sector company under the ambit of Ministry of Textile, Government of India, engaged in production of yarn and fabric through its 23 mills in operation, located all over India with 8.2 lac spindles and 408 looms producing around 550 lac kgs of yarn and 200 lac meters of fabric per annum. NTC also manufactures garments through its JV Companies.

In addition National Textile Corporation has well established retail network throughout the country with its 92 retail stores.

National Textile Corporation was established in 1968 to look after the functioning of 119 sick textile mills acquired through three Nationalisation Acts. NTC is on threshold of up-grading its technology in the operating mills and is looking forward to modernisation, expansion, product diversification etc. Venturing in to Technical Textiles – the sunrise sector of the future, transformation of its retail marketing outlets and enhancement of its Brand image are some of important current agenda of corporation.

Function:

To serve as a National Level Agency for the Production of yarn and fabric of the Textile Sector. The Corporate Objectives are as below.

1. To facilitate the availability of raw materials like yarn.
2. To manufacture of garments.
3. To play a proactive role for the benefit to the sector.
4. To manage the mills.

4b(ii) Duties/responsibilities of the officers and employees:

NTC Limited is a commercial organization and the officers and employees are appointed to carry out the business operations of the Corporation, in line with the objectives set forth in the Memorandum of the Association of the Corporation and the set out vision & mission statement.
