Circular NO.15/4/08

Sub:-Reference to the Commission for reconsideration of its advice – regarding

The Commission has expressed serious concern about receiving repeated requests for the reconsideration of its advice that give the impression of being routine in nature. The present instructions contained in para 5.16, Chapter I of Vigilance Manual, Vol. I provide that where the department propose to take a lenient view or stricter view than that recommended by the Commission, consultation with the CVC is necessary. The departments, therefore, are required to approach the Commission for advice in such cases before a final decision is taken. It has also been stated that the reference for reconsideration of the Commission's advice should be made only once. Subsequently it was instructed vide letter No.000/DSP/1 dated 6.3.2000 that reconsideration proposals should be sent within a period of two months from the date of receipt of the Commission's advice. It has been observed that the proposals for reconsideration of the Commission's advice are not sent within the stipulated time. Further, justification warranting reconsideration is also not given.

2. In view of the position stated above, the Commission has reviewed its instructions in the matter. The Commission's advice is based on the inputs received from the organization and where the Commission has taken a view different from the one proposed by the organization, it is on account of the Commission's perception of the seriousness of the lapses or otherwise. In such cases, there is no scope for reconsideration. The Commission has, therefore, decided that no proposal for reconsideration of the Commission's advice would be entertained unless new additional facts have come to light which would have the effect of altering the seriousness of the allegations/charges leveled against an officer. Such new facts should be substantiated by adequate evidence and should also be explained as to why the evidence was not considered earlier, while approaching the Commission for its advice. The proposals for reconsideration of the advices, if warranted, should be submitted at the earliest but within two months of receipt of the Commission's advice. The proposals should be submitted by the disciplinary authority or it should clearly indicate that the proposal has the approval of the disciplinary authority.

3. The above instructions may be noted for strict compliance.
